

**TWO 'Ask the Doctors' Events
On the Same Day at Different Locations**

FREE

Joints: Repairs and Replacements Thursday, April 26 / 2 - 3 p.m. Location: Hefner Auditorium

Learn about the risks and benefits of various treatment options for joint pain, including joint replacement. Panelists include: orthopedists Korboi Evans, MD; Douglas Murphy, MD; and Gabriel Petruccelli, MD.

To register, contact Belinda Degboe at 301-987-6444 or bdegboe@Asbury.org

Breast Health and Disease Thursday, April 26 / 6:30 - 7:30 p.m. Location: Holy Cross Germantown Hospital

A panel of experts discusses mammography recommendations, the latest breast cancer treatments and reconstructive surgery. Panelists include: Ali Al-Attar, MD, Plastic Surgery; Christopher Boyd, MD, General Surgery; Anu Gupta, MD, Radiation Oncology; James XU, MD, Hematology; and Mary McCarthy, nurse navigator, Oncology Services.

To register for this event, call Holy Cross Health at 301-754-8800. Please note that transportation can be provided to those who register three days before this event and specifically request it during the registration process. Please tell the operator if you need wheelchair accessible transportation. Transportation will depart from the Rosborough Lobby at 5:45 p.m.

For both events, bring your questions to be asked during a robust Q&A and light refreshments will be served.

Remove April 27. Call x6444 for additional questions.
